Activist Choir

is seeking new members!

We sing to promote social justice and environmental issues.

Our feisty choir has performed since 2004 at events and venues such as Car-Free Day, Ottawa Folk Festival, Black Sheep Inn, NAC Fourth Stage, and anti-war demonstrations, as well as our annual Winter Solstice and Earth Day events.

If you are an enthusiastic singer who cares about Peace, Justice, and the Environment, please come and join us!

We meet Wednesday nights, 7:00 PM in room 109 at the Bronson Centre, 211 Bronson Avenue (at Primrose)
